1. Entirety of Agreement.

This Agreement consists of the following elements:

- a. the body of this Agreement (i.e., that portion preceding the signatures of the Parties in execution);
- b. Appendix A, "Standard Clauses for all New York State Contracts," as revised to January 2014;
- c. Appendix B, Notices;
- d. Appendix C, Electronic Payments;
- e. Borrower's New York State Emergency Services Loan Application ("application"), incorporated herein by reference; and
- f. Exhibit 1, "Loan Repayment Schedule."

2. Order of Precedence.

In case of any inconsistency or conflict in interpretation among the provisions of this Agreement, the conflict shall be resolved by giving precedence to the elements in the following order:

- a. Appendix A;
- b. the body of this Agreement;
- c. Appendix B;
- d. Appendix C;
- e. Exhibit 1; and
- f. the application.

3. Consideration.

In consideration of the promises and covenants contained in this Agreement, the Lender agrees to loan to Borrower, and Borrower agrees to borrow from Lender, the sum of «Amount_Words» and 00/100 Dollars (\$«Amount_».00). Said Loan amount to be disbursed upon approval of this Agreement by the Office of the State Comptroller.

4. Administration and Repayment of Loan.

Borrower agrees to administer and repay the loan as follows:

(a) Deposit and investment of loan. Borrower shall upon receipt of Lender's check: (1) deposit that portion of the money loaned which will be expended within thirty (30) calendar days following receipt of the check in a separate account in a bank or trust company located and authorized to do business in this State, and (2) invest that portion of the money loaned which will not be expended within thirty (30) calendar days following receipt of the check in a separate special time deposit account in, or a certificate of deposit issued by, a bank or trust company located and authorized to do business in this state. Borrower shall forthwith submit to Lender an account statement prepared by the bank or trust company setting forth the date and amount of deposit and the annual interest rate.

(b) Certification. If all the money loaned will be expended for the purpose identified in the application within thirty (30) calendar days following receipt, Borrower shall, not later than forty-five (45) calendar days following receipt, submit to Lender a written certification detailing the date(s), amount(s), recipient(s), and purpose(s) of the expenditure(s). Whenever money is expended from the money on deposit pursuant to subparagraph (a) above, Borrower shall, within fifteen (15) days of such expenditure, submit to Lender a like certification.

(c) Annual installments. On the three hundred sixty-fifth (365) day following the date of the Loan disbursement check (hereinafter known as the anniversary date of this obligation) the first repayment is due to Lender in the amount and at the address set forth in Exhibit 1. Subsequent installments in a like amount are due on each successive anniversary date in accordance with Exhibit 1 until the balance of the Loan is paid. Interest on the Loan shall be calculated and paid as in subparagraph (e) below. Following disbursement of the Loan amount, Lender will send Borrower a fully-executed copy of the Loan Agreement with the Loan repayment due dates inserted in Exhibit 1.

(d) Payment of interest income. Where pursuant to subparagraph (a) above all or part of the money loaned is required to be deposited, Borrower shall (i) submit with each installment under subparagraph (c) an account statement prepared by the financial institution citing the amount of accrued interest income since the last payment; and (ii) shall submit a check in the amount of the accrued interest income.

(e) Interest. This obligation shall bear interest on unpaid balances at the rate of two and one-half percent (2.5%) per annum on the due date of each installment of principal, and thereafter, in the event of default in such payments of principal, on the anniversary date, until the entire principal is paid. As each installment payment is made, it shall first be applied in payment of the interest then due. The balance shall be applied on account of the principal sum, and thereupon interest shall cease on the amount of such balance.

5. Executory Clause.

Payment of any installment under subparagraph 4(c) or the payment of interest income under subparagraph 4(d) shall be made only to the extent of the monies appropriated by the Borrower for such purpose. Upon failure to pay any such installment or interest income, Lender shall give Borrower written notice of such failure to pay. If the failure to pay is not cured within ten (10) days of the notice, the amount of such installment or interest income remaining unpaid may be offset against any other monies payable to Borrower by the State of New York.

6. Borrower's Warranties.

Borrower warrants:

- (a) The information contained in the application is true and correct.
- (b) The proceeds of the loan shall be applied to the purpose identified in the application and to no other purpose.
- (c) Borrower has not received a loan for any purpose under State Finance Law §97-pp(4)(a), other than the purpose of this loan, more than once in the preceding five (5) years.
- (d) Borrower is not in arrears on any prior emergency services loan.
- (e) Borrower has not any time in the prior ten (10) years used state funds to repay all or part of any loan made under State Finance Law §97-pp.

Borrower agrees that each of these warranties is a material term and condition of this Agreement.

7. Performance.

Borrower shall perform all activities concerning the loan and its proceeds following the provisions of this Agreement, applicable federal, state, and local laws, rules, and regulations, and, where applicable, required certificates, licenses, and permits. The failure of Lender at any time to require Borrower to perform any provision or provisions of this Agreement shall in no manner affect Lender's right later to enforce the provision or provisions.

8. Period.

This Agreement shall commence on the date set forth in the preamble. This Agreement shall end upon the repayment in full of the amount of the loan, the interest on that amount, and all interest income earned on that amount or any portion of it.

9. Third parties.

With respect to the proceeds of the loan, Borrower shall not represent that it is an agent of the State of New York. Nothing in this Agreement shall create or be construed to create any contractual relationship between Lender and any subcontractor, supplier, or other third party.

10. Indemnification.

Borrower shall indemnify and hold harmless Lender from any damages to property or injuries to persons (including death), and any and all claims, suits, actions, damages, and costs of every nature arising out of the provisions of this Agreement to the extent resulting from the acts or omissions of Borrower or its agencies, employees, subcontractors, or suppliers. Borrower shall not be obligated to indemnify Lender for property damage or personal injury (including death) directly and solely caused by Lender or its employees.

11. Force Majeure.

Neither party shall be liable for losses, defaults, or damages under this Agreement that result for delays in performing, or the inability to perform, all or any of the obligations or responsibilities imposed on either party pursuant to the terms and conditions of this Agreement due to or because of acts of God, the public enemy, earthquake, flood, typhoons, civil strife, force, or any other cause beyond the reasonable control of the party that was so delayed in performing or so unable to perform, provided that such party was not negligent and shall have used reasonable efforts to avoid and overcome such cause. Such party shall resume full performance of such obligations and responsibilities promptly upon removal of any such cause.

12. Termination.

Except as provided in paragraph 5 concerning failure to pay an installment, in the event that Lender determines that Borrower has failed to comply with the material terms and conditions of this Agreement, Lender may declare Borrower in default. Upon such default, Lender may, at its option, without notice or demand, declare the entire unpaid principal balance due and payable immediately. Such sums may be offset against any other monies payable to Borrower by the State of New York. Lender shall not be responsible for any costs arising from the termination of this Agreement.

13. Fully Executed Agreement.

This Agreement shall be deemed fully executed when approved by and filed in the office of the State Comptroller.

14. Appendix A.

Borrower shall be bound by the terms and provisions of Appendix A, containing the statutory terms and conditions applicable to contracts to which the State of New York is a party.

15. Separability.

Any part of this Agreement that is contrary to the laws of the State of New York shall not invalidate any other part of this Agreement.

16. Rights and Remedies.

The rights, duties, and remedies set forth in the elements of this Agreement shall be in addition to, and not in limitation of, rights and obligations otherwise available at law.

17. Headings and Captions.

The headings and captions contained within this Agreement are intended solely for convenience and reference purposes. They shall in no way be deemed to define, limit, or describe the scope or intent of this Agreement, or any provision of it, nor in any way affect this Agreement.

18. Integration Clause.

This Agreement constitutes the entire understanding of the Parties. The Parties agree that there are no understandings, representations, or warranties, either expressed or implied, whether written or oral, made by either party except as expressly set for in this Agreement.

19. Interpretation.

This Agreement shall be construed and interpreted according to New York law. Any legal proceeding against Lender shall be brought in New York courts.

20. Notice.

Any notice required under this Agreement shall be transmitted to each Party at the address stated in the preamble or to such other address as each respective Party shall designate.

IN WITNESS WHEREOF, the Parties have executed or approved this Agreement on the dates below their signatures.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this

contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of

any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this

contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00,

whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a", "b", and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment

opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES.

In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at:

<http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not

limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.
